STANDARD INTERIOR COLORS

*Igloo White is a Straight Polyester.

IGLOO WHITE* ★

Final color selection should be made from metal color chips.

- See product selection chart for gauge and color availability.
- Heavier gauges, narrower widths and embossing minimize "oil canning."
- Review the sample warranty for complete performance attributes and terms and conditions.
- For locations outside the continental USA and Canada, please inquire.

Qualified

Applied FINISHES

TUFF COTE® FIBER-REINFORCED POLYMER COATING FOR TUFF WALL™ OR TUFF-CAST® PANELS ONLY

Optional finishes for CF Architectural, CF Mesa, Striated, Santa Fe, 7.2 Insul-Rib™ and LS-36™ (wall only) panels.

NOTE: These finishes require the exterior skin of the panel to be manufactured from coil with a matta matte finish of the same color as the applied finish.

* Light Stone Tuff Cote® does not match Light Stone siliconized polyester color offerings.
