

EFFECTIVE OCTOBER 9th, 2003

Beginning, October 9th, louver part numbers FL-65, 66 or 67 will be for 24 gauge louvers only. Please reference the new HW numbers for the 18/20 gauge louvers.

Two other changes to the louver pricing are:

1. We are now offering painted adjustable louvers.
2. The hand crank is included in the pricing for the adjustable louvers.

Please print the PDF file, showing the catalog page with louvers, and put it in your catalog. If you have any questions concerning louvers, please contact the nearest MBCI sales representative.
