

PERFORATED PANELS

MBCI offers select panels with perforations to allow ventilation, commonly needed for soffits or interior liners, or to create a visual effect in areas that are unaffected by water exposure. Your Customer Service Representative will confirm lead times, pricing, and minimum order quantities upon request of perforated panels.

Notes:

- Test data and warranty coverage are not available for perforated panels
- Standard/Stocked configuration:
 - **Pattern: 13.5%** (contact Customer Service for additional pattern options)
 - **Substrate: Aluminum** (contact Customer Service for non-warranted steel options)
 - **Color: Polar White** (contact Customer Service for additional color options)
 - **Lead-time: minimum 3 weeks**
- For non-stocked perforated panels options:
 - Minimum order of 1,500 LF typically required
 - Allow a minimum 10-week lead time
