

# PERFORATED PANELS

MBCI offers select panels with perforations to allow ventilation, commonly needed for soffits or interior liners, or to create a visual effect in areas that are unaffected by water exposure. Your Customer Service Representative will confirm lead times, pricing, and minimum order quantities upon request of perforated panels.

## Notes:

- Test data is not available for perforated panels
- Minimum order of 1,500 LF typically required for perforated panels
- Stocked as perforated aluminum in Polar White; contact Customer Service for additional options
- Allow a minimum 8 - 10 week lead time
